McDonald
House®**
Central &
Northern Arizona

Holiday Wish List

Every holiday season, Ronald McDonald House® hosts activities, like Santa's Workshop, to help families feel at home. At Santa's Workshop, our families pick out gifts for each child in their family, and the children select gifts for mom and dad. This event provides an opportunity to make the holidays merry and bright, while alleviating stress so families can concentrate on their child's healing journey. Thanks to generous donations from the community, families can go "shopping" and enjoy the spirit of giving with their loved ones.
